Windridge's Annual Fundraiser Event

Friends of Windridge cordially invites you to Windridge's annual fundraiser - open house event held on the first Saturday of April at Windridge's facility off Hwy 726 between 12:00 - 3:30 pm.

Now more than ever before, therapy, education, and horses are interconnected. Windridge Therapeutic Equestrian Center of East Texas is a nonprofit organization which provides therapy and education, through structured horseback riding programs to children and adults with disabilities. This unique organization, celebrating its 18th anniversary, serves more than 140 East Texans each week, ages 18 months to 70+ years, who face life with cerebral palsy,

closed head injuries, muscular dystrophy, multiple sclerosis, vision and hearing impairments, spina bifida, mental retardation, learning disabilities, or stroke to name only a few types of disabilities.

During weekly riding classes, with certified instructors, skilled volunteers and trained horses, Windridge participants improve their balance and coordination, increase muscle strength, and elevate their self-esteem by mastering new skills.

Windridge exists through the generosity of its supporters. Funding comes from corporate and civic organizations, foundations, individuals, and our annual fundraiser.

Please become a part of Windridge's efforts to improve the quality of life for East Texans facing life with a disability. Your investment helps ensure the continued growth and success of Windridge's therapeutic horsemanship programs.
